

**BODYBUILDING PREP
NUTRITION PROGRAM**

INTRODUCTION

This is a customized meal plan designed specifically for you. As we progress, I'll make adjustments based on your results, feedback, and overall progress. I'll also introduce different food options so you have variety while learning how to make smart meal substitutions on your own.

I want you to always let me know how these foods make you feel. Whether it's bloating, gas, low energy, hunger, or anything else, communication is extremely important.

If you ever have questions or something doesn't feel right, message me immediately. I'd much rather answer your questions than have you guess. Throughout this process, I'll also teach you how to properly use a food scale so you develop a better understanding of portion sizes and food intake.

CHECK IN INFO

We'll have a brief FaceTime, call, or audio check-in this **Monday & Wednesday & Friday**. Please don't send any check-ins after 11 a.m. EST.

During check-in, we discuss the past week.

Please ensure that you record your entries on the tracker sheet so that I can review them during my check-ins.

I will also require you to submit fasted pictures and complete the Google form every week.

PAYMENT

Payments are due on the agreed upon date. This is non-negotiable unless discussed with me beforehand.

If payment is not made on time and there is no prior communication, you will lose access to the coaching app immediately.

All check-ins, updates, and communication will be paused until payment is completed.

Missed time due to late payment will not be made up or extended on your plan.

If you are having any issues, communicate with me ahead of time so we can handle it properly.

DUE DATE: 1ST OF THE MONTH

ANTMANFITNESS MEAL PLAN GUIDE

Initially, we will not be incorporating cheat meals, so please don't ask for one early on. If and when I decide it's appropriate, I'll add them to your plan.

I highly recommend using zero-calorie condiments whenever possible. A list of approved options is included later in this guide.

Aim to drink at least 16 ounces of water with every meal, with a daily goal of 1 gallon (128 oz).

Cook all chicken by grilling, baking, or air frying.

When eating whole eggs, make sure you consume the yolk as well. Egg yolks contain healthy fats along with important vitamins and nutrients.

If you enjoy over-easy eggs, make sure you eat the entire yolk.

FREE MEAL INSTRUCTIONS

Free Meals Each Week: 1

When it comes to free meals, I personally recommend having them in two ways. One way is to have them on a rest day in the evening so that you have extra food for the next day. If you train early in the day or even in the afternoon, you can fully utilize the food.

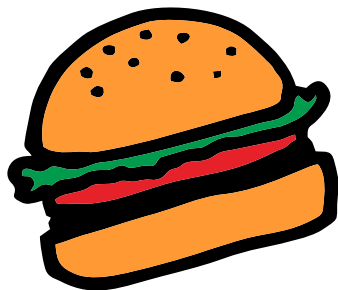

The second way is to have them on a day when you need them the most, but after your workout. This way, you can use the food as fuel for your workout.

Types of Cheat Meals

I usually recommend opting for a healthier choice when it comes to having an extra meal, like sushi.

But if that's not your favorite, another option would be a burger and fries combo. It's a crazy combination that hits the spot.

If you have something else in mind, please message me, and we can discuss it.

ENERGY DRINK RECOMMENDATION

ALL OF THE OPTIONS BELOW ARE SUGAR-FREE.
I RECOMMEND LIMITING YOURSELF TO NO MORE
THAN TWO ENERGY DRINKS PER DAY, SPACED
AT LEAST 8 HOURS APART.

DRINKS:

- ULTRA ZERO MONSTER
- 3D ENERGY DRINK
- GHOST ENERGY DRINK
- C4 ENERGY DRINK
- RYSE ENERGY DRINK
- SUGAR FREE RED BULL

CONDIMENT SHEET

PERSONALLY, I ENJOY USING FRANK'S REDHOT BUFFALO SEASONING ON CHICKEN, BUT YOU MAY USE ANY SEASONING THAT IS ZERO OR VERY LOW IN CALORIES.

WHEN CHOOSING SAUCES OR SEASONINGS, ALWAYS READ THE NUTRITION LABEL AND INGREDIENT LIST. AVOID PRODUCTS WITH ADDED SUGARS WHENEVER POSSIBLE. IF YOU'RE NOT IN CONTEST PREP, LOW-SUGAR KETCHUP IS PERFECTLY ACCEPTABLE.

FOR COFFEE, I RECOMMEND USING TRUVIA AS A SWEETENER.

WALDEN FARMS ALSO OFFERS SEVERAL ZERO-CALORIE SAUCES AND SYRUPS THAT WORK WELL.

IMPORTANT NOTE

EXCESSIVE CONSUMPTION OF ARTIFICIAL SWEETENERS MAY CAUSE DIGESTIVE DISCOMFORT FOR SOME PEOPLE. IF THIS HAPPENS, REDUCE YOUR INTAKE OR ROTATE PRODUCTS EVERY FEW WEEKS TO GIVE YOUR DIGESTIVE SYSTEM A BREAK.

CONDIMENT SHEET OPTIONS

- Sugar Free Ketchup
- Mustard
- Buffalo Sauce

(Check the nutrition label to ensure it contains little to no fat.)
